The Roosevelt School

June 2022 - Volume 10

We do things the RAM WAY...
Raise Achievement & Merit

RAM TIMES

As the final days for this term draw to a close, I would like to acknowledge the efforts made by so very many of our students, staff, and parents in the Roosevelt community this year. The extraordinary commitment made by all our staff, academic and support staff alike, means that we can continue to succeed and flourish as a learning community. Our last day of school is on Friday, May 27, 2022.

I would also like to express my gratitude to all for your generous support during the time that I have served as your principal. I have enjoyed meeting many parents throughout the year at various events and working with you to provide the best possible learning outcomes for your child. I look forward to my return in August to resume in the role of Principal, and with you, I look forward to welcoming our students to the start of a brand-new 2022-2023 school year.

I am delighted to report that the vast majority of our teachers are returning to Roosevelt School next academic year. However, we would like to acknowledge and say a fond farewell to our retiring teachers and staff this school year after many years of dedicated service in our district:

Denise Burke, Speech Pathologist
Colleen Stachulak, Kindergarten Teacher
Emma Cross-Williams, 6th Grade Teacher
Anthony Zungrone, Elementary SPED Teacher

They all will be truly missed because they were very supportive of my administration, teachers, and students, and were a positive presence in our school. I wish all our retirees every success in the future and sincerely thank them for their contributions to our school and students.

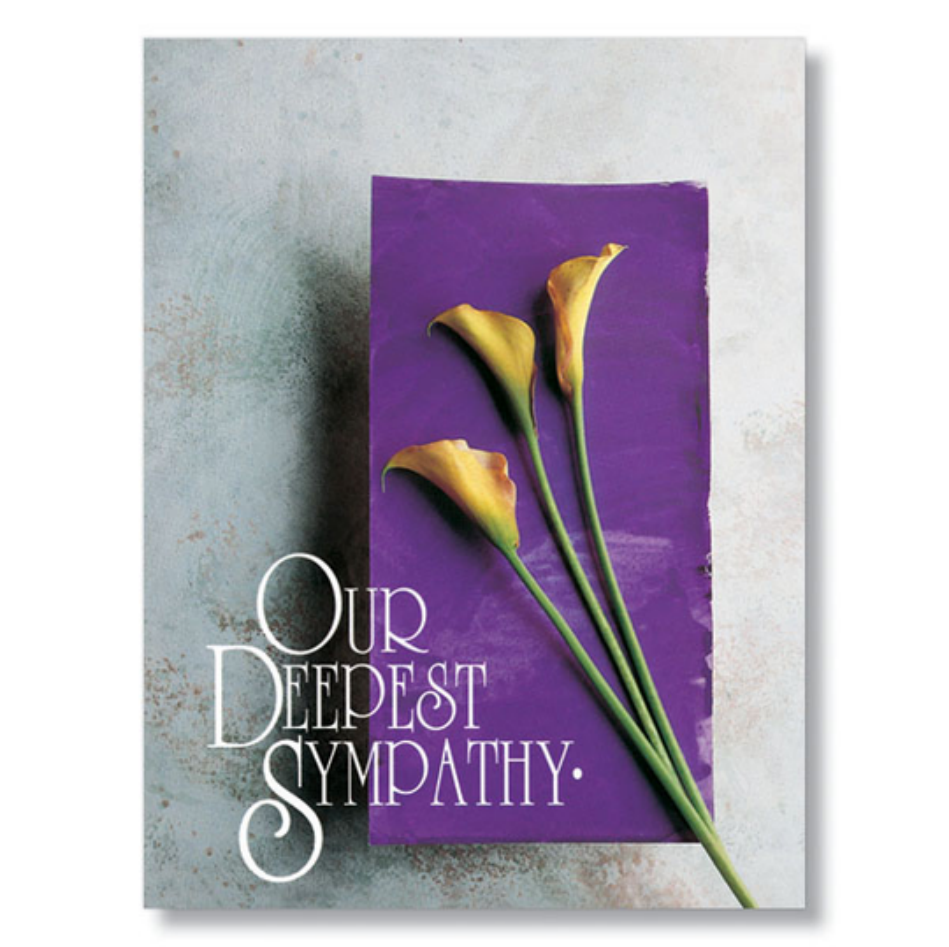
Our administrative team has already commenced planning for the new school year. We will return Monday, August 22, 2022, to put into place a smooth opening for all parts of the school. The school administration offices will remain open throughout the summer period if you need to visit us. We are having a Summer School Program running through June and there is a wait list.

Each student will receive Scholastic Summer Learning Packets for students to use over the summer months. In addition, K-5 students will receive reading novels from our ReadyGen curriculum series. It is very important that our students continually read and do math over the summer months.

Finally, I wish all our Roosevelt families and staff all the very best for the summer holidays and look forward to welcoming you all back, relaxed and refreshed for what promises to be an enjoyable and productive year.

Best wishes,

Dr. Kim Brasfield-Carpenter (Dr. BC)
Principal



We would like to extend our deepest sympathies to the Green Family in the passing of our beloved Parent Mentor Vander Green who passed away on Sunday, May 15, 2022. Mr. Green has worked as a Parent Mentor in our school from 2019-2022 under the Partnership for Resilience non-for-profit program as our community partner. Mr. Green has also provided his leadership and service working with our students in our 2nd grade classroom providing them with a helping hand when any student was in need. He also was a member of our Roosevelt Senior Leadership Team (SLT) as a Parent Representative providing much needed input about strategic priorities for our school from a parent perspective. Mr. Green will truly and sincerely be missed by our Roosevelt community.

Dr. BC

6/21/22 - 5:00pm - Board of Education Meeting

A Fond Farewell...

On Thursday, May 19, we held our 8th Grade Luncheon at the Tuscany Falls banquet hall in preparation for graduation on May 25th. Good Luck to our scholars as they move on to high school!
