

RTI AT RJH

I am the Response to Intervention (RtI) Coach at Roosevelt Junior High. The purpose of RtI is to ensure that “no child is left behind” by providing help to all students with academic or behavioral needs early in the school year. RtI provides early intervention to prevent long term failure.

The RtI Team at RJH consists of the following members:

Ms. Randle
(Principal)

Mrs. Gusman
(Social Worker)

Mrs. Burke
(Speech
Pathologist)

Mr. Parker
(School Safety
Facilitator)

Mr. Zugrone
(Diagnostician)

Ms. Berry
(RAMS
Facilitator)

Ms. Henderson
(RtI Coach)

Mr. Lopez
(Psychologist)

The purpose of this webpage is to:

- Communicate with parents regarding RtI and address questions, concerns or comments regarding the RtI process.
- Promote parental involvement by partnering with them in their child's education
- Empower parents to better understand their child's schoolwork and help equip them to assist their children with their schoolwork

Thank you,
Mrs. Henderson
