AMENDMENT TO BIRTH CERTIFICATES TO ADD FATHER'S NAME

The information needed by the Illinois Department of Public Health, Division of Public Records varies according to the circumstances of each case, for example whether the parents are married and if so, the time they were married in relation to the time the child was born. Accordingly, the Department advised that the best way to amend the Certificate is to call their office and explain the specific circumstances. From there, the caller will be instructed accordingly.
