

# District 148 names new supervisor

Dolton West Elementary District 148 has promoted one of its own to the position of buildings and grounds supervisor.

Kevin Reese steps into the job after working the past six years at the District's former Harriet Tubman Elementary School.

While at the Dolton school he served as night custodian, head custodian, and custodian.

"We have a good group of people to work with. We can get everything in tip-top shape: maintenance, custodial-wise, everything," he said.

Before coming to the school system he spent 15 years as a supervisor in the control department of a bank in downtown Chicago.

A Chicago native and south suburban resident, Mr. Reese is a graduate of Fenger High School. He and his wife are the parents of three boys – all graduates of District 148's Lincoln Junior High School.
