

*"Let No Hero Be Forgotten"*

Dear Harriet Tubman Families,

Our Student Council is anxious to help our troops overseas. We would like to reach as many soldiers as possible with our generosity. Students will be writing letters, making cards and pictures as well as putting together care packages to send before the holidays.

We will be working with Operation Care Package ([www.operationcarepackages.org](http://www.operationcarepackages.org)) to help them reach 10,000 soldiers this year!

We would like to hear from you if you have any friends or loved ones overseas. Please send the name and address of the soldier to your child's teacher and we will make sure they get something from the Harriet Tubman families.

Attached is a list of items suggested to donate. We would appreciate anything you can give.

Along with building the morale of our troops we are also showing our children the meaning of Caring and Sharing! Any items are appreciated!

***OUR DEADLINE FOR DONATIONS IS NOVEMBER 20TH. PLEASE SEND ITEMS WITH YOUR STUDENT TO DROP OFF IN OUR BOXES AT SCHOOL.***

Thank you for sharing ,

Harriet Tubman Student Council and Staff
