

ISAT Plan I

Goal

- To provide the first year protégé with the opportunity to examine the ISAT test materials, discuss ISAT testing with colleagues, to plan, and to use the ISAT materials in the classroom.

Purpose

- To prepare the first year protégé to locate, examine, develop and present lessons involving ISAT review materials.

- Procedure:
- 1) Mentor and protégé meet to discuss the ISAT I activity.
 - 2) Protégé investigates sources to help prepare students for ISAT testing.
 - 3) Protégé completes ISAT INFORMATION RECORD (IIR).
 - 4) Protégé and mentor meet to discuss completed IIR and to develop the ISAT ACTION PLAN (IAP).
 - 5) Protégé completes the ISAT ACTION PLAN.
 - 6) Mentor and protégé meet to discuss completed IAP.

Timeline:	Meeting to discuss ISAT activity	30 minutes
	Protégé completes ISAT INFORMATION RECORD (IIR)	1 week
	Protégé and mentor meet to discuss completed IIR	30 minutes
	Protégé and mentor develop ISAT ACTION PLAN (IAP)	30 minutes
	Protégé completes IAP	2 weeks
	Protégé and mentor meet to discuss completed IAP	60 minutes

Total time needed is approximately four weeks

ISAT Information Record – to be completed by protégé

Protégé: _____ **Date:** _____

Mentor: _____ **Subject:** _____

Investigate the following sources to help to prepare students for the ISAT test. Summarize your findings and determine the implications for teaching the students in your classroom.

Source	Summary	Implications
Written material		
Media Center		
Technology		
Visual aids		
ISBE website		
Interview with teacher _____		
Observation of teacher _____		

Date	Specific Action/Strategy	Expected Outcomes of Action/Strategy	Results of the Action/Strategy (Cite specific evidence)	Reflection

Notes:
