Dear Business Owner,

Welcome to the Village of Riverdale! We're glad to have you here. We invite you to join the Riverdale Chamber of Commerce. It's our goal to build a strong and vibrant business community within the Village of Riverdale.

Chamber of Commerce Members receive up to date reports of new plans from our Village government. We work together to improve the business community and business climate. We host social functions where business owners have the opportunity to network with other business owners. We even sponsor a scholarship, for a Riverdale resident, at South Suburban Community College. We are the , "Booster Club", for the business community.

It costs only thirty six dollars per year (\$36.00) to join the Riverdale Chamber of Commerce. That's three dollars per month. Our Chamber Board is composed of volunteers, who work for free, because they care about the business community in our Village. Join us, and help us, as we strive to realize the true potential of the Village of Riverdale.

Sincerely,

Kevin L. Patterson DDS

President, Riverdale Chamber of Commerce
