Raise Achievement & Merit**

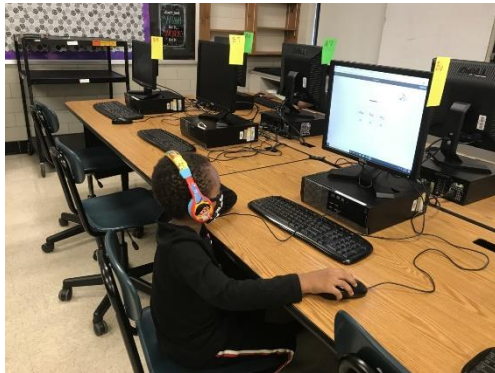

Upcoming Events

August 24 - September 11
District Assessment Week

September 7
Labor Day Observed; No School for Students

September 25
School Improvement Day; No School for Students

“The Roosevelt School”

“The New Normal: Remote Learning”

Welcome Back Roosevelt Parents/Guardians:

I hope this newsletter finds you and your loved ones healthy and safe. *Welcome Back to a very different school year.* It’s a bit different doing all online learning, but we “got this!” It was only a success because of your support. We thank you for your patience with our technology distribution as we tried to ensure that every student was afforded technology with sufficient internet access at home to support remote learning.

We want to make sure that you know, that no student was penalized if they were not able to access the Zoom Links or Microsoft Teams the past week. In addition, moving forward no student will be penalized this week as well.

Although many of our traditional back-to-school events look different this year, it is our goal that all RAM parents, guardians and students have access to Class Dojo and Parent Portal. This is the easiest way to make sure you are receiving the latest updates from us here at “The Roosevelt School.” If you have not signed up for this, parents/guardians can email their homeroom teacher for Class Dojo and the Main Office for Parent Portal.

Sincerely,

Dr. Kim Brasfield-Carpenter (Dr. BC)

Principal

Technology Support FAQs SY 2020-2021

If you need support with technology, we will have an onsite tech support person at our school on Mondays and Thursdays from 1:30 p.m. to 2:45 p.m.

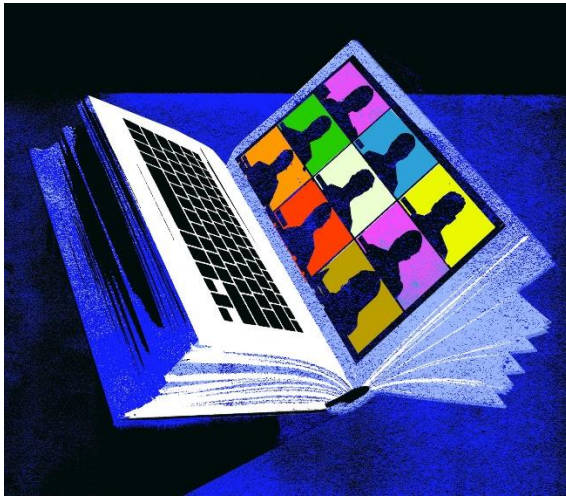

The district is currently in the process for ordering more hotspots for families if you need a hotspot.

If you have any challenges with your district technology, please email

devicesupport@district148.net

Have a Good RAM Way Learning Day!

“The New Normal: Remote Learning”

“The Importance of Routines with Remote Learning”

Establishing routines and schedules for your child will ensure their overall success. Your child’s teacher should have reached out to you to introduce themselves and provide a sample schedule to support your child’s success in their classroom(s).

We understand that every family will have unique scheduling needs due to parent work hours, etc. Please work with your child’s teacher to determine what will work best for your family. Students will be required to be engaged in learning both online with their teacher as well as on the learning platform.

Teachers will be recording their online learning sessions to allow for students to view these at times that work best for their family. However, the more often students can interact in the live sessions with their classmates, the better connected they will feel. A reminder that the first three days of school will be flexible for students while we ease into our virtual learning.

For the first eight days, we will pay particular attention to the social and emotional needs of our students, building strong relationships in this new environment and ensuring their comfort as an online learner.

School Events

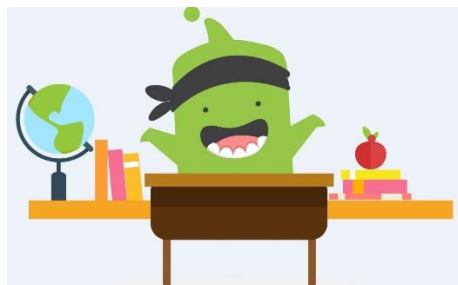

Although many of our traditional back-to-school events will look different this year, our teachers are excited to meet all of you. We will share information soon regarding what your virtual “Open House” and “Parent-Teacher Conferences” will look like.

Microsoft Teams

Class Dojo/Microsoft Teams

Our goal this school year is to use Microsoft Teams which includes Zoom as our learning platform and Class Dojo as our mode of school communication. These platforms allow parents, guardians, and students to have online access our remote learning schedules and activities. This is the easiest way to make sure you are receiving the latest updates from us at “The Roosevelt School. If you have not signed up for this, parents/guardians can email eliasm@district148.net to request access.
