Dear Roosevelt RAM Community:

On Saturday, March 16, 2024 our 7th grade students participated in the Regional 9 Science Fair located at North Central College in Naperville, IL. We are excited to announce our student winners featured with Dr. BC who also served as a Science Fair Judge at the event:

- G. Royster, 1st Place Gold Winner (*initially was Silver but was re-evaluated due to judging discrepancies)
- T. Buckley, 1st Place Gold Winner
- W. Herron-Junius, 2nd Place Silver

We are extremely proud of our students achievements. We would like to extend a special acknowledgment to Ms. Clopton, 7th Grade Science Teacher who also attended the event as a Science Fair Sponsor. Go RAMS!

Sincerely,

Roosevelt Administration

A special thanks to our teachers, parents and students for taking the UChicago 5 Essentials Survey: Based upon our response rates, indicated that the respondent minimum and response rate threshold has been met for this survey. Our data response rates were as follows:

Roosevelt Elementary:

Students = 98% (min. 50%)
Teachers = 67% (min. 50%)
Parents = 23% (min. 20%)

Roosevelt Junior High:

Students = 98% (min. 50%)
Teachers = 91% (min. 50%)
Parents = 24% (min. 50%)

Even though we have achieved our goals, there is still time for our parents to complete the survey. Please see our student "infomercial" called "**Of Course I am a Roosevelt Student...**" based upon a popular TikTok theme that we have posted on Youtube.
